SUMMARY

Long time member of the X-men and basically a genius, I am a proud mutant looking to bring my skills to the world. As both a computer expert and law enforcer of sorts, I am looking for a job in security or intelligence.

EDUCATION

Robert Heinlein University 2001
Some coursework
C. Xavier's School for Gifted Youngster's 1980
Degree in kicking ass and taking names
G.P.A. 3.8/4.0

TECHNICAL SKILLS

Use Daily:	Python	Unix/Linux
	Phasing	Electronic interference
	Cloaking	Intangibility
Familiar:	Java	Mathematica
	C/C++	SQL

RESEARCH PROJECTS

Harnessing the Power of the Black Vortex 2015-present
Recovered the Vortex from the hands of J'son of Spartax. Submitted to the Vortex, allowing for a boost in phasing powers to phase whole planet of Spartax to safety. Continuous study to understand cosmic powers.

The Physical & Mental Effects of Time Displacement 2013
Assisted in the mentoring and care of 5 time displaced X-men, including Jean Grey, Cyclops, Angel, Beast, and Iceman.

Doppegangster Module *Excalibur*, 1988
Created a module that replicates energy signature of Jean Grey (alias Phoenix) in order to access X-men technology Cerebro. Use of module successfully lured Wolverine clones.

OTHER EXPERIENCE

Star-Lord, Leader of Guardians of the Galaxy 2015-present
After former Star-Lord, Peter Quill, assumed leadership of Spartax, I was promoted to leader of the Guardians of the Galaxy team, and assumed the title Star-Lord.

Headmistress of the Jean Grey School 2011-2014
Partnered with Wolvarine to open and run the Jean Grey School for Higher Learning. Maintained school, taught classes, and survived an infestation of the alien race, the Brood, while in office.

Excalibur Team Member 1987-1998
Joined Britain-based superhero conglomerate Excalibur, with other X-men members Nightcrawler, Phoenix (R. Summers), and Lockheed, as well as Captain Britain and Meggan.

AWARDS AND HONORS

2015 Assumed title Star-Lord
2007 Phased globally fatal bullet through Earth
1988 Formed superhero team Excalibur
1984 Trained with the Yakuza in Japan

RELEVANT COURSEWORK

Graduate: Ethis 101L: Forgetting Everythin You Ever Learned From Emma Frost, Future History 101: Mappy What We Know About The World of Tomorrow, Computer-Hacking 101: ONLY FOR USE TO SAVE THE DAY!

Undergraduate: Martial Arts, Computer Science, Japanese, Russian

OTHER INFORMATION

In addition to Earth languages, I have a knowledge of the alien languages of the Skrulls and the Shi'ar. I like to dance and have trained with Stevie Hunter, reknown ally of the X-men dancers. Frequent collaborator with the alien dragon known as Lockheed.
